

Mango Salsa

What you will need:

2 mangos, diced
1 red onion, chopped
1 tomato, diced
1/4 cup cilantro
1 tablespoon green onion, chopped
a dash of crushed red pepper
1/2 jalapeno, minced (optional)
dash of salt to season
lime juice to taste

Directions:

In medium serving bowl combine mangos, onion, tomato, green onions and cilantro. Add just a dash of crushed red pepper. However, if you decide to use the jalapeno you do not need to add the crushed red pepper. Season with a dash of salt and top with lime juice to taste. Makes about 2 cups.

Great with salmon, fish tacos, chicken and chips!
